Signup Details

- Reserve your booth(s) on Signup Genius. Once Signup Genius loads, click RSVP to reserve your booth.
- Send your registration form and payment to me within 5-7 business days to reserve your space.
 - **Email** your application (see above), then please send the fee via PayPal to mrsmaryrodman@gmail.com (friends and family option to avoid fees please), or send via Venmo using @Mary-Rodman-2.
 - **Mail** the application and check payable to Mary Rodman **NOTE OF GREAT IMPORTANCE – The mailing address and event address are different. The post office will not deliver your application to the event address. This has been a problem in the past. Please use the address highlighted in green for mail.**
- **Signup Priority & Duplication:**
 - First come first serve on booth preference and type of item sold.
 - Direct Sales – only one per type of merchandise. Feel free to contact me to see if there is a direct sales vendor in your field.
 - Crafts & Produce – I will not patrol duplicates. My opinion is everyone makes a slightly different product, whether it is woodworking, bows, wreathes, baked goods, etc. You can contact me to see what vendors are present to make your decision.
- **Share the signup information with others.**
 - The link for your friends and family to reserve their own booth is: <https://maryrodman.com/books-in-the-barn-application/>

Event Details

- **Website:** <https://maryrodman.com/books-and-crafts-in-the-barn-vendor-list/> will contain a complete vendor list. I will add new vendors as quickly as possible. This link will be used to advertise, so please give me a good description of what you sell.
- **Advertising:** I will do my best to promote the event via my email list & social media. However, the more each of you promote the event, the more successful we will be.
 - **Facebook Event Link:** <https://www.facebook.com/events/738779591134963>
 - Please add photos and information about your products to the FB event yourself. However, due to the money fraud taking place at Facebook events, I will need to approve your posts this year. If I don't respond in an appropriate amount of time, please text me at 614-381-8191 and let me know you have posted.
 - **SHARE** the event on your Facebook page. Sharing will get us more traction than a "like." **This is our best way to advertise!**
 - When someone posts their products on the FB page, please share them on your page. The more we promote one another, the better the show.
 - **I am the only person receiving payments for this event. Fraud is common on Facebook, so notify me if you see questionable posts.**
 - I will also create events on LinkedIn and Alignable if you happen to be on those platforms and would like links.
 - I will be advertising for free in the **Dublin North Magazine** and **Ohio Cooperative Living Magazine**. If you know of other publications with calendars, please send me the information and I will contact them.
 - I will have posters available in multiple sizes which I will email at a later date.
- **Table/Chair:** Please bring your own table(s) and chairs.

- **Setup:** I will be at the barn Saturday morning by 7 AM for setup. If 2 hours is not enough time, please let me know. Lori and I will be at the barn off and on Thursday – Friday, but please make arrangements to setup early.
- **Tear Down:** Please do not tear down your display or move a vehicle in front of either entrance prior to 3 PM.
 - If you pack up early, you will not be invited to future events. It is a matter of respect for late coming customers. I know it gets slow toward the end, but some say they make great sales at the end of the day.
- **Parking:** Please move your vehicles away from the barn after you unload so our customers can park close. The traffic flow needs to be able to circle the barn after customers have parked, so keep that in mind.
 - **IMPORTANT:** Please park bumper-to-bumper and efficiently in the open shed, and around the fuel tanks. If someone has an emergency, we will get you out.
- **Money:** Please make sure you have the appropriate change for your own display.
- **Next Year:** My plan is to continue this as an annual event. Please email me with your suggestions, frustrations, and whether you are interested in attending in the future.
- **Questions:** Feel free to call and text with questions if there is something I didn't cover.
- **My availability:** July is a very busy month on the farm, so if I don't answer right away, please be patient. You can also email my sidekick, Lori Zimmerman, and she will try to answer your questions.
